Moutsopoulou 50 & Elikonos - Piraeus

Project Description

The project is located in Piraeus in a quiet and sparsely populated area.

Piraeus is the largest Mediterranean port in terms of passenger traffic and commercial activity, and most of Athens' visitors simply consider it a transit point to the Aegean islands.

A coastal walk from the metro station will take you along the harbour, past the lion statue at its entrance and the Naval Academy further down and onwards to Peiraiki and Zea Marina, finishing off at the picturesque Mikrolimano.

The famous factory of “Lipasmata Drapetsonas” has been turned into a park. This park overlooks the sea and the entrance of the port where you can watch the big ships entering the port.

The building extends into three levels offering eighteen (one) bedroom apartments.
